## CVS Caremark

All the TCWGlobal medical plans include a PBM to manage all your prescription drug needs. The new pharmacy benefits cover generic, brand-name formulary, non-formulary brand and specialty drugs. The best way to save on prescriptions is to use generic or over the counter medications as opposed to brand name drugs. When you use generic medications, you will pay the lowest copay.

Email [benefits@TCWGlobal.com](mailto:benefits@TCWGlobal.com) for a full list of covered medical and tier level.

To locate a participating pharmacy in your area or to price out the cost of prescription medications, call 800-237-2767 or visit [www.caremark.com](http://www.caremark.com).
